|---|-------------------------|-------------------------------|
| 1 | Model                   | CX-R13-507 off-(on) 3A 250VAC |
| 2 | Rated current, voltage: | 3A 250V                       |
| 3 | Dielectric strength:    | >1500VAC/1min                 |
| 4 | Electrical life:        | >10000 Cycles                 |
| 5 | Ambient temperature:    | -25~+85                       |
| 6 | Contact resistance:     | <50m $\Omega$                 |
| 7 | Insulation resistance:  | >100M $\Omega$                |
